Meet Vaccine Requirements with Help from Company Nurse's Solution, Lintelio

With the [federal vaccine and testing mandate](#), employers now face the sudden need for an efficient testing and vaccination reporting process. At Company Nurse, we're here to help with our new digital solution for workplace health and safety, **Lintelio**.

Lintelio's **Pandemic Module** offers COVID-19 health screenings and testing and vaccination management to help organizations maintain a healthy work environment. And Lintelio's admin portal allows employers to securely manage reports and results to prove that they are following these regulations, if necessary.
