October 2022

Streamlining Risk Management

Company Nurse powered by Lintelio continues to innovate to bring your organization solutions to streamline reporting and communications to help mitigate and minimize risk.

Solutions such as the WC Incidents module, which offers quick, seamless, and secure access to your organization's injury reports.

Read below to learn more about our other solutions. You can click the buttons below to schedule a demo. Or email info@lintelio.com to book a time to meet with Company Nurse powered by Lintelio leadership at National Comp in Las Vegas.

Note: Please remember to authorize info@companynurse.com to continue receiving the latest updates in nurse triage and workplace health and safety.
